Travel Planning Terms & Conditions

Welcome! This will cover the important details that help ensure a smooth and clear working relationship as we plan your travel experience together.

How It Works

After our initial phone or video consultation, we will provide a customized outline of the services you'll receive, along with an invoice and a link for payment. Full payment is required in advance, once the invoice is issued. Each itinerary is tailored specifically to your travel needs and preferences.

What's Included

You'll receive personalized travel suggestions, destination tips, and recommended resources based on our research and firsthand experience. We will offer itinerary ideas, advice, and trusted websites - but all bookings (flights, accommodations, tours, car rentals, restaurants, etc.) will be made by you.

Your Responsibilities

It is your responsibility to ensure that you meet all travel requirements, including obtaining valid passports, visas, travel insurance, and understanding destination-specific entry rules or restrictions.

The recommendations we provide are based on availability and pricing at the time of planning and are subject to change. We strongly encourage booking early to secure the best options.

Follow-Up & Additional Support

After receiving your final travel plan, you're entitled to a 30-minute follow-up call for additional questions or clarification. Should you need changes, expanded support, or a revision due to rescheduling, we will be happy to provide a quote for additional planning hours.

If your travel dates change, all the information provided remains yours to use. Additional assistance related to rescheduling may be available at a discounted consulting rate.

Refund Policy

Because of the time and care involved in creating custom travel plans, all payments are non-refundable once the planning process has begun.

Limitation of Liability

Practical Travel Concepts is not responsible for disruptions, delays, cancellations, or issues related to transportation, accommodations, weather, political events, health advisories, or actions taken by third-party providers. All travel is undertaken at your own risk.

Use of Materials

The travel plans, documents, and recommendations provided are intended for your personal use and may be shared with your travel companions. However, they may not be published, resold, or distributed for commercial purposes without written permission from Practical Travel Concepts.

Privacy

Your personal information will only be used for communication and travel planning purposes. It will never be sold or shared with third parties.

Timeframe

Travel planning services must be completed within 60 days of the initial invoice unless otherwise agreed upon. Requests made outside this timeframe may require a new quote or service agreement.
